About the Training and Placement Cell :

Training and Placement Cell of Avanthi Institute of Pharmaceutical Sciences plays an important role in providing job opportunities for students passing out from the college. The cell maintains a good rapport with the officials of reputed pharmaceutical industries, Pharma IT companies and healthcare industries. On invitation, many reputed organisations visit the college to conduct interviews and recruit students. The Training and Placement cell always strives to reach the expectations of the students, parents and employers. Training and Placement cell is having a team of committed experts who always come forward to impart valuable suggestions for betterment of students.

Objectives:

Developing the students as per the requirement of pharmaceutical industries, Pharma IT companies and healthcare industries.

To motivate students to develop Technical and soft skills.

To motivate students to aspire higher education and guiding them to take competitive exams such as GPAT, GRE, IELTS, PG CET etc

To place maximum number of students through campus and off-campus interviews conducted by the top companies.

Activities of Training and Placement cell:

Training and Placement cell is providing training programs and conducts on-campus and off-campus placement drives to place the students in reputed organisations.

Campus Recruitment Training (CRT):

This program is designed to aid candidates in their preparation for recruitment through on/off campus drives. Students can make use of this program to get trained to deliver their best in the selection processes of organisations.

Career Counselling and Guidance:

We provide career counselling and guidance to our students from the day one so that they develop strong opinion on their future in pharmacy and helps them to understand various opportunities that are available for them in market.

Soft skills Training:

Providing soft skills training enables students to think outside the box both creatively and critically. Using these skills, they will be able to weigh up their options in their careers and make more accurate decisions.

Communication Skills development:

Being able to communicate effectively is perhaps the most important of all life skills. We train our students to excel in communication skills.

Interview preparations :

We train our students to face the interviews confidently so that they can crack the job. We conduct demo sessions, mock interviews to enhance their performance in final interview.

Technical writing and resume writing:

We train our students in writing technical document so that they can put forth their knowledge on papers and create a good impact. In any interview resume plays a key role. We provide clear guidance to our students regarding resume writing so that they can represent themselves properly on papers.
