

ERP POLICY

Avanthi Institute of Pharmaceutical Sciences believes that the enforcement of the simple and automated approaches in the governance of the academic system. Various functions such as offering planning, development, administration, management of examinations play a vital role in the academic system and have been considered as separate modules. These functions involve a lot of data that is to be stored, handled, in a bold manner. One more aspect of this data is, it keeps on growing as the days add on one by one. So day by day organization of this data is required in a well-defined manner. For this purpose, each module has been assigned with a tool and many of these tools are designed and implemented in-house to facilitate ease of organizing data and storing in a well-defined manner. This makes retrieval of the data whenever required much simpler. Most of the functional bodies in the institution use the ERP system for providing e-governance. Transparency of everything done in the college is exhibited through ERP system. For security of the data, Avanthi Institute of Pharmaceutical Sciences ensures the each and every ERP tool used in the Institution is secured with a unique user ID and password and accessibility of the tools is restricted to limited users.

The Enterprise resource planning (ERP) of Avanthi Institute of Pharmaceutical Sciences consists of a portal: <https://aipsg.ac.in/> that functions the smooth functioning of the academic activities of the college. These enable three types of users- Developer, Admin and Student to access the portal. Each user can access the portal only through User name and password.

❖ Developer Login

Only accessible to the S/W developer through a unique user id and password. Through this login developer can perform all the animation to the portal whenever required.

✓ File Uploading:
