

## 7.3 Institutional Distinctiveness Academic Year 2023-24

### 1. Gender Equality for the FEMALE students, Teaching & Non-Teaching Staff, Activities

#### Objective

The Internal Quality Assurance Cell (IQAC) of AIPS has felt the need to conduct Gender Audit with the objective to perform a comprehensive assessment of gender distribution within the organization, with the aim of identifying any existing gender gaps or imbalances, and to prevent recommendations for actions that can be taken to promote gender diversity and equity in the workplace.

It involves an inclusion of women's and men's needs and experience. It's a process of incorporating gender equity approach in all aspects as governance, decision-making, needs analysis, institutional services and operating mechanisms, evaluation in institutions etc so as to produce an institution that's gender indifferent.

**Methodology:** The methodology for scanning the gender ratio in the organization involved Gathering relevant data on the gender composition of the organization, including information on the gender distribution across different committees, departments and functions. This data was collected through records and other relevant sources.

## 8. AIPS Graduation Day-2022-2023

Graduation day is the culmination of all the time, energy, and work that you have put into gaining your qualification, and it gives you a great chance to celebrate all that you have achieved

In India the graduation ceremony is commonly known as convocation. At the universities and institutes, the graduation ceremonies are formal affairs, which include an academic procession by both the academic heads and the students. Avanthi institute of pharmaceutical sciences celebrates graduation day by inviting and honoring the young achievers at the college campus and encouraging them for their future endeavors.

Students are given a scope to interact with various Experts from Industries, Clinical Research organizations, health care departments and specialized Doctors in various fields to know their experiences ,challenges ,opportunities in their respective field which help them to achieve their goals.

### 14. Participation of Students In Pharma Fests

Students of AIPS are encouraged to explore their knowledge by participating in various Pharma Fests held at different organizations and to give oral ,poster presentations and to participate in quiz ,debate etc .

### 15. Industrial Visits

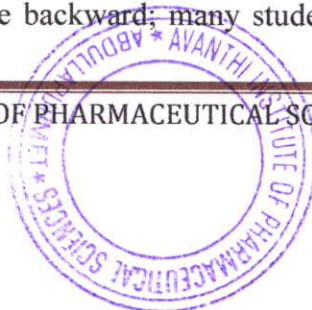

Students of AIPS are encouraged to visit various industries and research institutes to build a idea in the students and to acquire enough knowledge regarding the working steps of the Industries .

### 16. Institutional free ships

Education is the 'Driving Force' to make life prosperous. The Institution, called as the "Temple of Education", serves the very purpose of providing education to all the aspiring students. AIPS is in the service of the society since more than 2 decades. We have been nurturing the aspiring minds with technical education, with the vision, "Service to the Society through Quality Technical Education". It has been noticed from the perspective of geo-economical characteristics of the region that was considered to be backward; many students faced difficulty in acquiring
